Job Description

ROLE AND RESPONSIBILITIES

Glass Co Metro, located in Cockburn Central, is proud to be part of the Scott Park Group supplying quality windows, doors, shower screens, mirrors, wardrobes and splashbacks to new homes across the Perth Metro region.

We are currently seeking an experienced glazier or fitter, specifically for our service and maintenance works.

This position is a full-time permanent role (we are not currently seeking contractors).

The roles include:

- Representing Glass Co Metro in a positive, professional and friendly manner
- Receiving and installing orders in required time frames
- Ensuring safe and tidy vehicle and site presentation
- Showing pride in the quality of your work
- Utilisation of technology and paperless admin processes
- Working in a safe manner at all times.

QUALIFICATIONS, SKILLS AND EDUCATION REQUIREMENTS

- Relevant Trade Certificate or equivalent experience coupled with considerable technical knowledge within the residential building industry
- 3-5 years demonstrated experience in a similar role (Pivotech and Carinya systems knowledge highly advantageous)
- Proven excellence in customer service
- Ability to follow instructions with a desire to provide quality workmanship in line with the Company's work schedule program
- Ability to work within a team environment and supervise apprentices if required
- Physically capable of installing a variety of glazing products, and manual handling glass and double-glazed products
- Good organizational skills and a commitment to continuous improvement
- Excellent communication skills (oral and written)
- Ability to pass pre-employment medical examination
- Provide a national police clearance
- Certificate IV in Competitive Systems & Practices or LEAN training (highly desirable).

IMPORTANT INSTRUCTION ON HOW TO APPLY

To be considered for this position, please send a current resume and a covering letter outlining your suitability; answering these specific questions to deanne@glasscometro.com.au:

1. What specifically interests you about the glass and glazing industry?
2. What customer service experience could you bring to this position?
3. What are your career goals?

To receive further information on the role, please feel free to phone Deanne McConkey on 9473 9402 or 0417 939 962.
Due to the high volume of applications expected, only successful applicants shall be contacted.
